

Errata Corrige

1. A correction has been made to the commentary on page vii (paragraph 10) as there was an error in the number of births to mothers under the age of 20.

Tables 21 and 22 on page 25 have been amended as there was a correction in the Under 20 and 20-24 age brackets.

Table 25 on page 28 has been amended as there was a correction in the Under 20 and 20-24 age brackets. The column 'All maternities' has been removed.

Table 27 on page 29 has been amended as corrections were made in the Under 20 and 20-24 age brackets. In the same table, data for the occupations 'Plant machine Operators and assemblers', and 'Elementary occupations' have also been revised.

The downloadable PDF document has been amended with the above changes on 21 November 2008 at 1500 hrs CET.

2. Table 56 on page 61 was amended as it included data for Maltese brides erroneously shown as USA brides. Consequently data for other nationalities of brides had to be revised.

The downloadable PDF document has been amended accordingly on 4 November 2008 at 1500hrs CET.
